

Capital Lanes Youth Bowling Sponsorship

Capital Lanes Youth Bowling Program has been growing year by year and we would like to open up even more opportunities to offer scholarships for underprivileged, physically or mentally challenged children to participate in this activity. This event lasts from September 1, 2017 – August 31, 2018.

Our mission is to provide all children an opportunity to participate in a group sporting event and promote healthy interactions with other children regardless of income level or disability. We promote a safe and healthy atmosphere for children of all ages to come and learn the sport of bowling. We need your help to accomplish this. We thank you in advance for your participation in sponsorship.

Sponsorship commitment forms and monies are due by August 15, 2017.

\$500.00 Sponsorship Level

1. Company name on the gutter sweeper of the lane of choice (1-40)
2. Company logo (in color) on banner at Capital Lanes Bowling Alley for the entire bowling season;
